

Conclusions and take home messages

- Exchange of experience :
 - Insights for both FANC and the stakeholders
- When implementing your medical physics department
 - Be inspired by good practices and examples
 - Consider lessons learnt by peers
 - Don't hesitate to search for advice of FANC during the preparation phase
- Joint Medical Physics Department:
 - ✓ Added-value is *conditio sine qua non*
 - ✓ Feasible and manageable for the head
 - ✓ Well-organised (e.g. assistant-head(s))
 - ✓ No excessive fragmentation
